Information Packet

When not triggered mirror is off.

When triggered "CAUTION" light comes on along with an arrow.

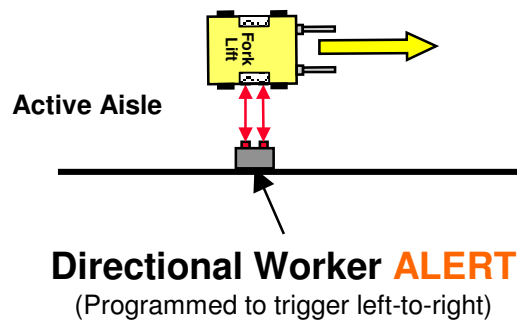

Protect:

- 3-way Intersections
- Cafeterias
- Floor Offices
- Locker Rooms
- Lavatories

- Approaching vehicle triggers Mirror **ALERT**.

26" Convex Mirror

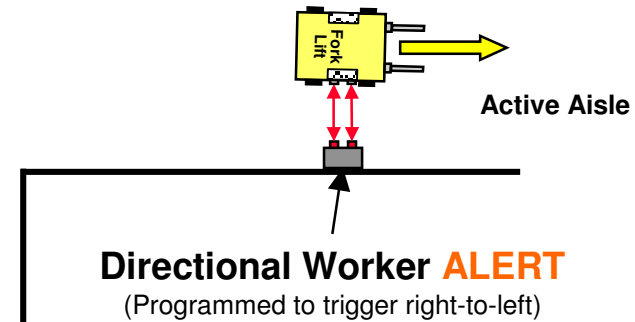

- Exiting vehicle does not trigger Mirror **ALERT**.

Warns workers from which direction a lift truck is coming!

Walkway

Makes a passive mirror an active alarm!

A 26" convex mirror has a 26' radius of safety. With Mirror ALERT activated it can be seen from up to 100'.

Mirror **ALERT**
